HEAVY GAUGE 304 STAINLESS STEEL GRILLS

Proven Against the Harshest of Environmental Conditions.

Every Wilmington Grill is made from the highest quality, heavy-gauge 304 stainless steel. They are built to last. We back it up with a lifetime warranty on our 304 stainless steel gas burners.

Gas or charcoal, seasoned pitmaster or weekend warrior, every one of our grills are designed for years of high-quality grilling performance.

A Wilmington Grill is up for any grilling challenge. The easy to use design of a Wilmington Grill allows for a variety of cooking styles from grilling, smoking, and steaming.

ROUND OUT YOUR OFFERINGS WITH OUR ACCESSORY LINE

From side burners and griddle kits to stainless steel steamer baskets, our accessory line includes a complete range of products guaranteed to satisfy even the most accomplished cook.

LIFT THE LID. YOU'LL FEEL THE DIFFERENCE

OF COOKING STYLES**

WIDE RANGE OF GRILLING ACCESSORIES

WE ONLY USE THE HIGHEST QUALITY MATERIALS

Each of our grills are constructed with thick gauge 304 stainless steel. Unlike other grill lines out there, Wilmington Grills don't have cheaply made gimmicks that break or fail. All components of our grills are constructed with care—and built to last. Experience the Wilmington Grill difference for yourself.

“

We have owned a Wilmington Grill for years (16 yrs) and love this grill. You can even bake on this grill. We have never had a maintenance issue or replaced any parts. We just purchased a Wilmington traveler for our camper. It's very high grade steel and will last. I used it for the first time this week camping and I can say I was a happy camper.

“

My family got me the classic about three years ago for a fathers day gift. I have to say that it has been wonderful! Zero maintenance, and zero problems. She sits outside year round and looks like day one. I plan on having her for several more years... Make that several more decades.
